* This is an add-on code, list separately in addition to primary procedure.

** Skin substitute supply group; paid separately when provided integral to a surgical procedure on ASC list; payment based on OPPS rate.

*** The national rate of \$127.14 is influenced by the relevant GPCI (geographic practice cost index)

Disclaimer: The information provided in this guide is offered as general information only and should not be construed as providing clinical advice, dictating reimbursement policy or substituting for the judgment of a healthcare provider. While Aroa Biosurgery Limited has taken reasonable efforts to provide accurate information regarding Medicare payment rates specified for items and services related to its products, it shall not be liable for the accuracy or completeness of the information in this guide.

Aroa Biosurgery Limited provides this guide as a frame of reference for providers only and does not assume any responsibility for coding decisions, nor does it recommend codes for specific patient procedures. Nothing in this guide guarantees coverage by Medicare or other payers. Providers are always responsible for: (1) consulting with their payors, coding specialists, and/or legal counsel regarding any coverage, coding, or payment issues; (2) checking current reimbursement laws, regulations and payer policies; and (3) determining and submitting appropriate codes, charges and modifiers for goods and services it provides. This information is confirmed to be accurate as at 27 January 2026.

Site Preparation
